## What Your Network is Saying

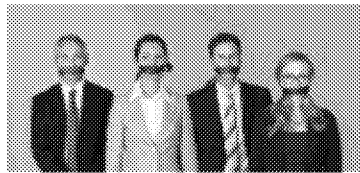

**Shannon Cunniff** published

### Learning from the Dutch

Interested in flood protection? The Netherlands way? Got 5 minutes to spare? Here's a video capturing aspects of my recent trip to learn more about the Dutch approach and how its evolving in light of greater environmental awareness as well as climate change. <https://vimeo.com/130027228>

### Are Indian consumers short-changed by telecom service providers?

India holds the dubious distinction of its people having greater access to cell phones than toilets. While advances in mobile phone technology and the influx of foreign players has offered more choices to users, service quality has been deteriorating
